INTERNSHIP REPORT PRESENTATION

Business Development

Internship at BuildVerse

| School of Computer Science & Engineering | Professional Internship Defense

TANISH GUPTA

Roll No. 25SCS1003005035 | B.Tech CSE (Batch 2025–2029)

March – September 2026

Candidate Profile & BuildVerse Overview

Candidate Profile

Name:	Tanish Gupta
Roll No:	25SCS1003005035
Institute:	IILM University, Greater Noida, U.P.
Program:	B.Tech CSE (Batch 2025–2029)
Domain:	Business Development & AI Workflows
Duration:	6 Months (4 March 2026 – 4 September 2026)

Organization Profile

BuildVerse is an innovative digital solutions firm focused on enterprise technology, client acquisition, and scalable market expansion.

Market Intelligence

In-depth competitor benchmarking, market trend tracking, and opportunity mapping for strategic outreach.

AI-Assisted Operations

Deployment of Kimi, AI scraping tools, and Antigravity to automate research, outreach, and CRM workflows.

Bridging Market Intelligence and Business Growth

While technical coursework provides strong theoretical foundations, students rarely receive structured training in corporate B2B sales cycles, prospect qualification, and consultative client communication. Converting fragmented market data into validated leads and maintaining disciplined follow-up cadences remains a critical challenge.

Market Research

Lead Prospecting

Client Outreach

CRM & Deal Support

Lead Prospecting

Identify high-probability B2B client accounts through structured market research.

Multi-Touch Outreach

Execute personalized communication cadences to expand BuildVerse's network.

Client Relationship Mgt.

Drive consultative follow-ups, client discovery, and dedicated proposal support.

AI Workflow Automation

Leverage Kimi, AI scraping tools, and Antigravity for high-speed prospecting.

The Toolkit & AI-Assisted Workflows

Kimi AI

Assisted market research, query analysis, drafting, and rapid information synthesis.

Data-Scraping AI Tools

Automated prospect extraction, company profile scraping, and verified lead list creation.

Antigravity

AI-assisted workflow orchestration, task automation, and pipeline enablement.

CRM Practices

Contact lifecycle management, interaction history tracking, and follow-up logging.

Market & Competitor Analysis

Industry trend benchmarking, market gap discovery, and ICP mapping.

B2B Outreach & Proposals

Multi-channel cold messaging, personalized pitch decks, and commercial proposals.

End-to-End Business Development Pipeline

Phase 1: Market Understanding & ICP Definition

Understanding ICP (Ideal Customer Profile) and detailed competitor landscape analysis.

Phase 2: Prospecting & Lead Data Mining with AI

Compiling validated prospect datasets efficiently leveraging sophisticated AI scraping tools.

Phase 3: Targeted Outreach & Consultative Engagement

Multi-channel messaging, consultative client follow-ups, and securing qualification meetings.

Phase 4: Proposal Formulation, CRM Tracking

Proposal drafting, pipeline updates, and continuous strategic performance optimization.

Skills Acquired & Key Deliverables

B2B Lead Generation Mastery

Built end-to-end prospecting workflows, identifying and qualifying prospective corporate leads.

Market Intelligence

Acquired strong competence in competitor analysis, industry trend synthesis, and market sizing.

Consultative Communication

Refined professional B2B email messaging, client negotiation, and structured follow-up cadences.

Proposal & Sales Support

Hands-on experience drafting commercial proposals, pitch decks, and managing CRM pipelines.

AI-Powered Workflow Accel.

Deployed Kimi, AI scrapers, and Antigravity, drastically cutting manual research turnaround times.

Corporate Professionalism

Demonstrated disciplined teamwork, proactive problem-solving, and adaptability in a fast-paced setting.

Internship Completion & Formal Defense

INTERNSHIP CERTIFICATE

Date: 6 September 2026

This is to certify that **TANISH GUPTA** has successfully completed a professional internship at BuildVerse in the capacity of **Business Development Intern**. The internship was conducted from 4 March 2026 to 4 September 2026.

During this tenure, **TANISH GUPTA** demonstrated excellent communication skills, strategic thinking, creativity, and dedication while contributing to the growth and business development initiatives of the organization.

Key Contributions & Impact:

- Lead Generation & Outreach: Assisted in identifying potential clients and business opportunities through market research, prospecting, and professional outreach, contributing to the expansion of the company's client network.
- Market Research & Opportunity Analysis: Conducted research on industry trends, competitors, and target markets to identify potential growth opportunities and support effective business development strategies.
- Client Engagement & Business Support: Supported client communication, follow-ups, proposal preparation, and relationship-building activities while maintaining a professional and customer-focused approach.

Business Development Proficiency:

The candidate demonstrated proficiency in lead generation, market research, client communication, prospecting, business outreach, CRM practices, and sales support. They also showcased strong communication, negotiation, problem-solving, teamwork, and adaptability in a collaborative business environment.

TANISH GUPTA is a sincere, enthusiastic, and highly motivated individual. Their contributions have positively supported BuildVerse's business development initiatives, and we are confident they will continue to excel in their professional journey. We wish them every success in their future endeavors.

Sincerely Yours
